Attn: Brenda Wilson

Subj: Request for Cost Proposal for proposed Task Order 0076, Basic: "Low Level Radiological Waste"

It is requested that you submit a cost proposal for the work listed in the attached Performance Work Statement. Your proposal must explain your approach in sufficient detail to justify your proposed costs. All applicable elements of costs, including a description for each labor category proposed and DOL wages with the wage determination number referenced, if applicable, should be addressed with detailed supporting documentation attached, particularly for any proposed subcontracting effort.

Please submit your proposal electronically to Elizabeth Corder, Contract Specialist and Leah Alejo, by 15 September. If there are any questions, please do not hesitate to call or email.

Thank you.
